STUDENT LIFE

THE TEN COMMANDMENTS

1. Thou shalt not borrow thy neighbour's pen. (Take it)
2. Thou shalt not whisper in class. (Shouting annoys the teacher more)
3. Thou shalt not throw erasers in class. (Books are harder)
4. Thou shalt not drive the teacher to the grave. (Get the undertaker)
5. Thou shalt not hold hands in the hall. (Kissing attracts more attention)
6. Thou shalt not run in the halls. (Sliding is more fun)
7. Thou shalt not laugh behind the teacher's back (Laugh in his face)
8. Thou shalt not run for the door when the teacher dismisses the class. (Go out the window) (Fight for it)
9. Thou shalt not read comics in class. (Read ------books: "Adults only")
10. Thou shalt not eat in the cafeteria. (Save it and eat it in class; especially celery)

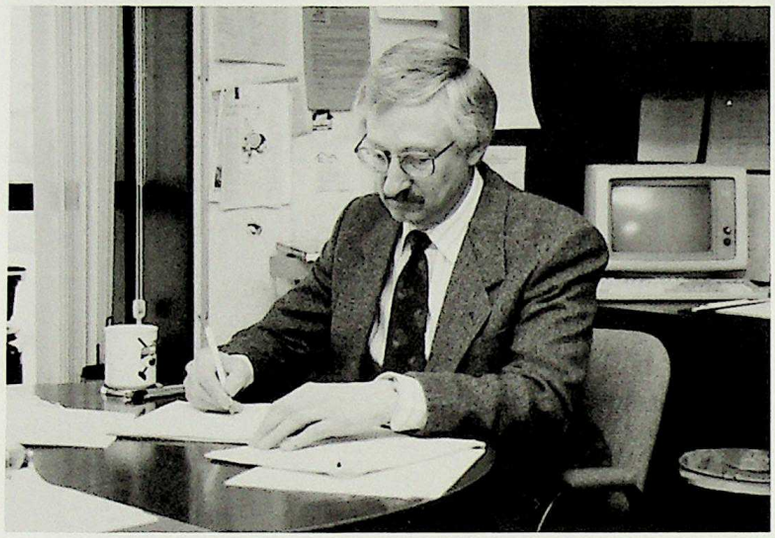
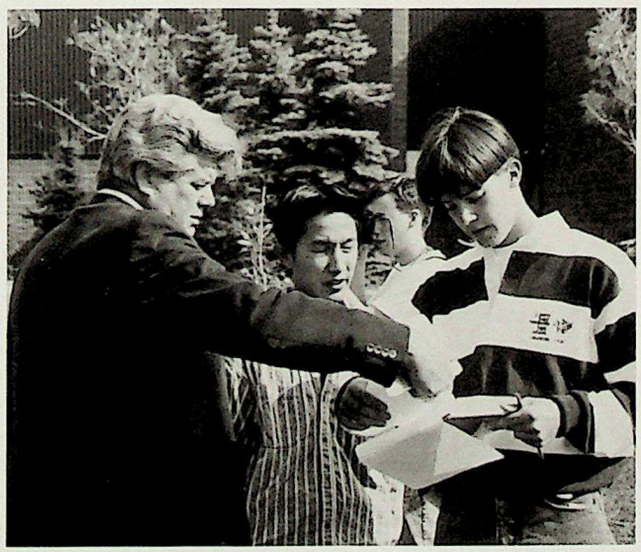
THE PRINCIPAL'S MESSAGE





1992-93 has been a year of unprecedented growth! We have exceeded our capacity and were unable to accommodate all our students in daytime classes. For the first time in out history we opened our doors to students in night classes. In the summer of '93 we will have summer school classes. Thanks to the community support, J. Percy Page has become one of the most used schools in Edmonton!

We are proud of our advance in the use of technology in the delivery of cirriculum. This year we replaced one of our computer labs with state-of-the-art equipment and we successfully networked all the labs. This provides maximum flexibility for student use. Our library system has been upgraded, and a seperate lab has been set up for staff. We have made tremendous strides.

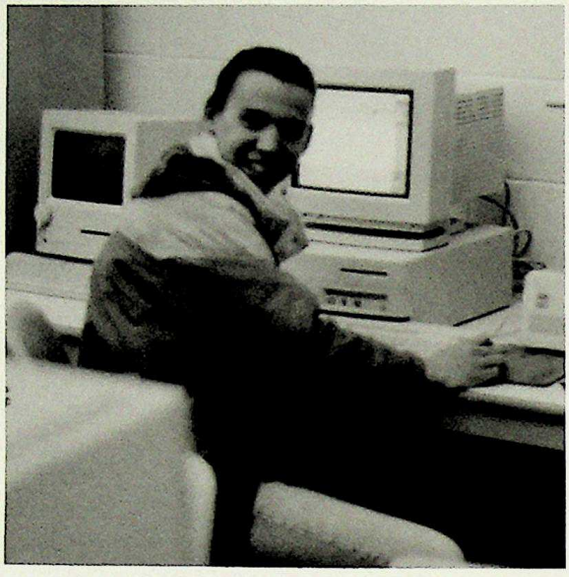
Our athletes have done well this year. We won city championships in cheerleading, senior boys' basketball, and mixed curling.

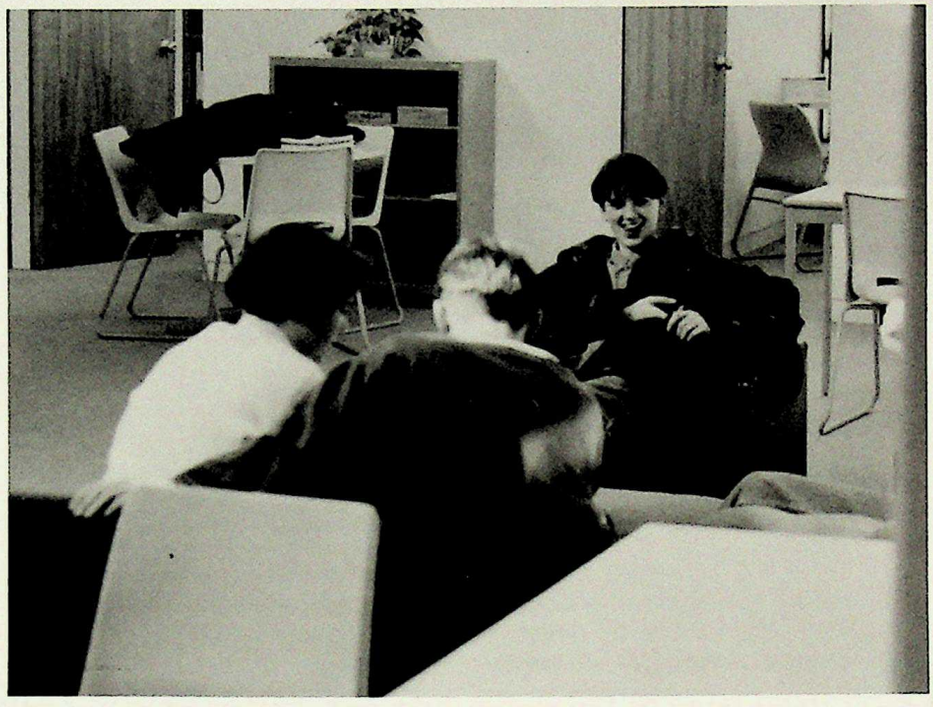
The Page Players and music students had fantastic year. The music concerts and performances demostrated the skills and talents of our musicians. Productions such as "Into The Woods", "Encore '93", and the Medieval Dinner Theatre exemplified the capabilities of our accomplished performers. Congratulations to the students of the "arts" at Page.

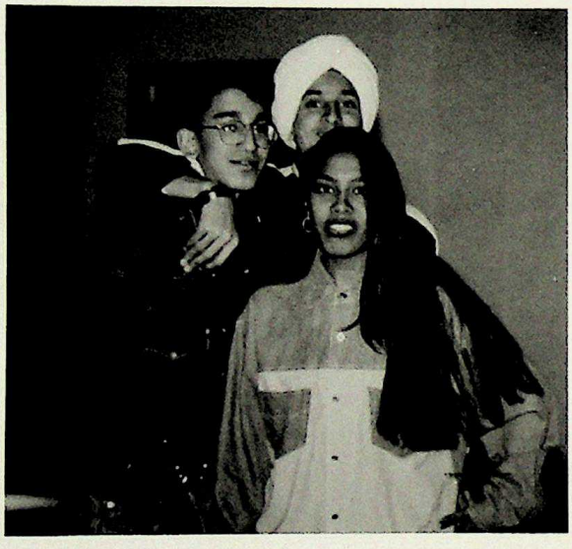
Career Days, Open House, Awards Night, Grad Fashion show, grad banquet and dance, numerous guest speakers and field trips, and a continuous program of student council activities are just some of the many events that added both excitement and variety to life at school.

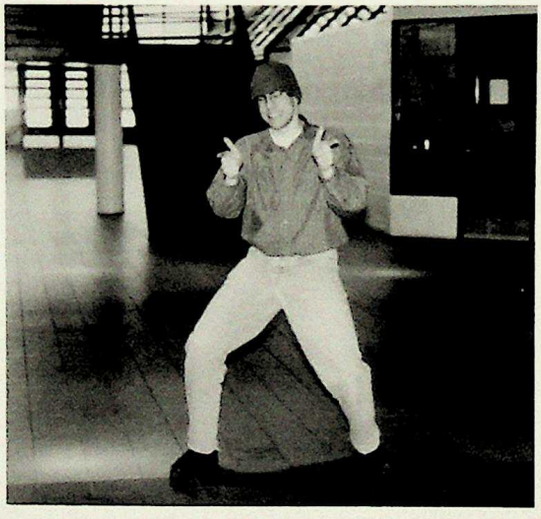
Thanks to everyone for an eventful year. I wish success and happiness to each student leaving Page. Have a relaxing holiday and I look forward to seeing you who return in the fall.

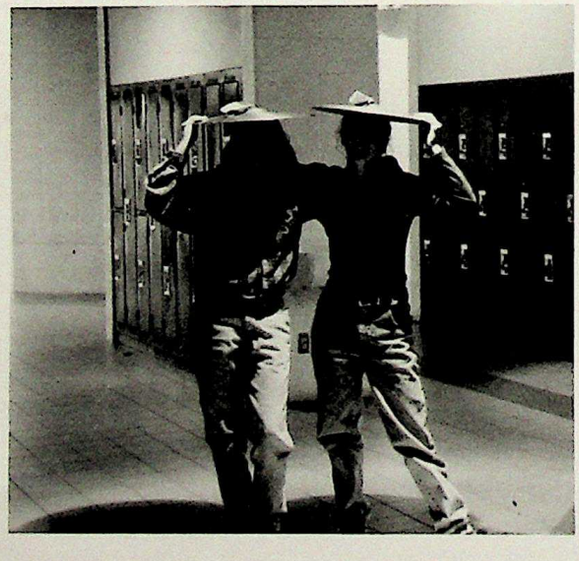
Sunwapta House







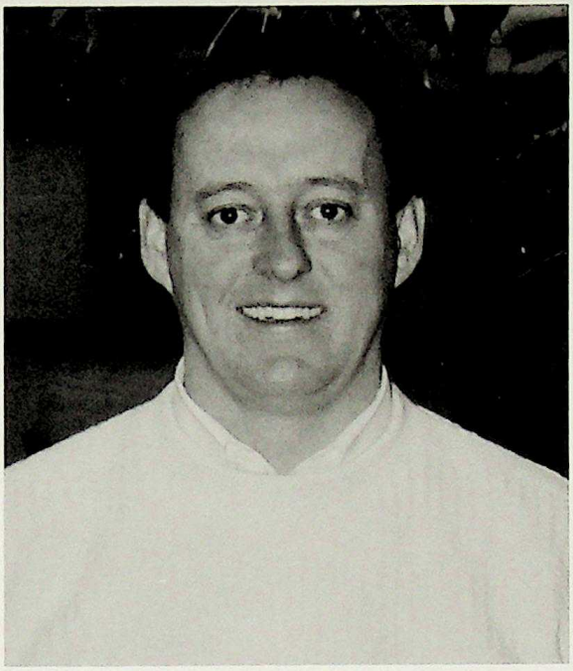




Mr. Stevenson's Messsage

The past year has been one of change. Brian Mulroney and Don Getty have resigned. The Oilers, for the first time in their history, have failed to make the playoffs and the Toronto Blue Jays won their first World Series. Our school is full to capacity with a population of over 1300. We all now pay a 7% GST, the Soviet Union is no more and interest rates have reached a 30 year low.

There have also been some constants. Sunwapta won its third consecutive Hot House Competition, Mr. Buxton continues to wear turtle necks, Mr. Skitch continues to sell puns and my own hairline has receded another 1/4 1/2 1 inch. Another constant has been the talent, caring and hard work shown by Sunwapta students. As much as the world around us changes, the future will belong to those who commit themselves to making a difference. Those who, at work or in the studies, are devoted, adaptable and truly want success, will find it. I hope that you choose to make these qualitities constants in your whole life. All the best in your future!



Sunwapta House Secretary - Mrs. Kenny

Mr. Buxton - Curriculum Co-ordinator

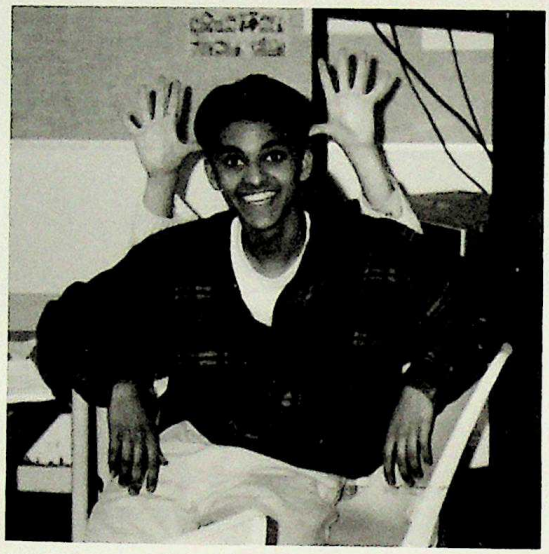
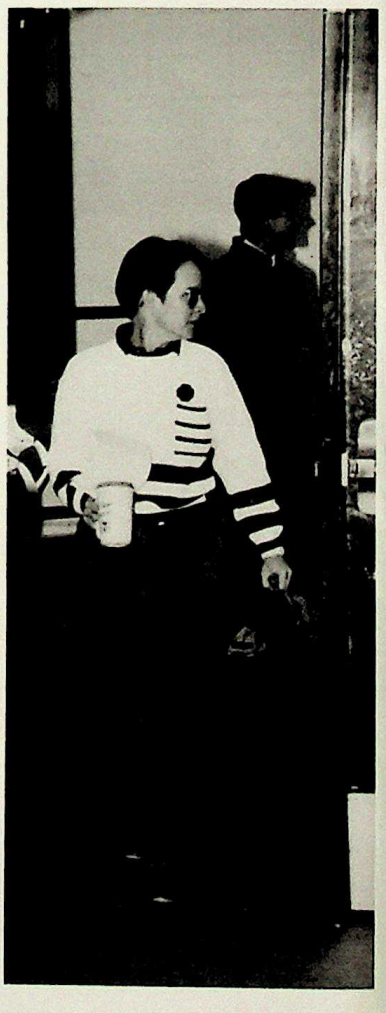
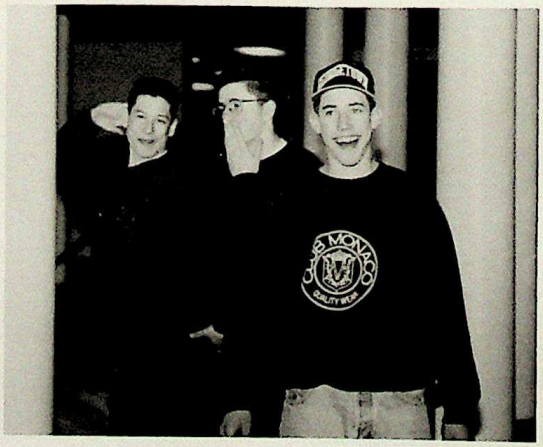
Cascade House







Mr. Norby's Message

Every year another group of young people leave "Page" to go out and "try on the world" - this year it is you that it will be - the Grads of '93! Although we may not always express our feelings to you or show it consistently in our actions toward you -- we will miss you and we will remember the good times. We, the staff of Cascade House, want you to find success, happiness and contentment in your future endeavors. However, these things rarely come easy. It seems we are all destined for our share of setbacks and worries in life, along with the good aspects. I guess what is important is being able to "hang in there for the long haul". I have borrowed a few quotations that may provide inspiration for you in the years to come:

q "The harder you work, the luckier you get." -Gary Player

"Regardless of what company you work for, never forget the most important product you're selling is yourself."
-H. Jackson Brown, Jr

"There are no unimportant jobs, no unimportant people, no unimportant acts of kindness." -H. Jackson Brown Jr.

"No one can make you feel inferior without your consent."
-Eleanor Roosevelt

"Each man has a choice in life: he may approach it as a creator or critic, a lover or a hater, a giver or a taker."
-Unknown

To you, the Grads of '93, always the best!

Mrs. Mather's Message

At J. Percy Page we place the challenge of understanding relationships in terms of "whole persons" as a priority.

As another year is passing I find that I have experienced many treasured teaching moments with people of incalculable worth. I I have a renewed sense of what it is to be teacher.

A dear friend has stated that part of his purpose as an educator is to help others discover their divine individual purposes for living. A teacher cannot give others their meaning for living but we can invite others to step into their own threshold of possibilities.

Our school is filled with people who give a great deal of time, effort, help and sacrifice while serving others as much as they are able. We challenge students to choose responsibile actions and to be accountable. This cannot be done easily but with each day we have the good fortune to see it happening as students demonstrate their worth and potential.

Fackenheim likens the dilemmas involved in making responsible choices to a fictional character who spends his entire life attempting to find out from others if the course of life he is pursuing is the right one; it is not until the character is dying that he discovers that no one could ever have verified the appropriateness of his life's path because "There is only one right road for man, and that he cannot know whether it is right except by embarking upon it." (Emil L. Fakemnheim, Metaphysics and Historicity (Milwaukee, Marquette University Press, 1961), p.89)

As you embark onward remember that purposes and actions can and should vary, just as people and their circumstances are always changing. Much needs to be done. The problems society faces - hunger, brutality, crime, neglect and war, cannot be solved by one individual but by many people who learn to understand their respective purposes.

As you leave high school we challenge you to choose responsible reasons and means for living. Each one of you has qualities, talents and abilities to contribute to our community. Treasure your uniqueness.

The highlight of this season was the relay meet at May Fair Park. Page was well represented and Mr. Jensen is proud that he's still an excellent runner. Thanks to Mr. Lotz for his team spirit!!

Golf Team

Kevin Stevenson coached the six member golf team this year. The men's team placed 5th out of 26 teams. The team had a solid competition this season and hope to expand the golf club activities because of the departure of their two best players. However, they have several young, promising players and look forward to being competitive again next fall. They hope to field a full girls team in the coming year.

Team members include Nathan Popp, Daniel Popp, Jim Stewart, Mike Hartwick, Jennifer Wright, and Michelle Micklich.

Track Team

This years track team participated in and won in the divisionals this year with Mr. Lotz as their coach. They proceeded to the events in the city championships. Several of the athletes performed exceptionally this year and should do as well next year because they should be getting a track facility which will make operating the track program much easier. Congratulations to the team; the second largest team in Edmonton next to Scona!

Cheerleading Team

J. Percy Page Composite High School's Cheerleading Team has recently completed their third year of competition, winning second place in the Vic Redmen Tournament, third in Harry Ainlay's Tri Prov Tournament, and second place in the Luther College Tournament in Regina. They placed second in City Finals at W.P. Wagner and second in Provincials in Magrath, Alberta.

Swim Team

The J. Percy Page Panthers Swim Team was one of eleven public high school teams which took part in the city high school championships at Kinsmen Pool January 14, 1993. They placed fourth in the small club division.
The Page contingent of 21 swimmers which consisted of 12 novices made a valiant effort which resulted in them swimming to many personal best times.
A farewell to our grade 12 swimmers: Rob Severin, Chris Lewis, Bhavin Mistry, Cory Christensen, Tim Krikun, Jennifer Livermore, Christine Antoniuk and Calvin Creller. Best wishes and good luck in the future. You will all be missed!

Badminton Team

Superbadminton - the J. Percy Page Badminton Team completed its finest year ever. Reena Sharma finished 2nd in Edmonton Public Junior singles division. Tracey Lehman finished 1st in Edmonton Public senior singles division. Amol Mojumbdar and Sachin Bibra finished first in Edmonton Public junior doubles. Finally, Shannon Lim finished second in the PROVINCE in junior singles. Congratulations to all team members on a great season.

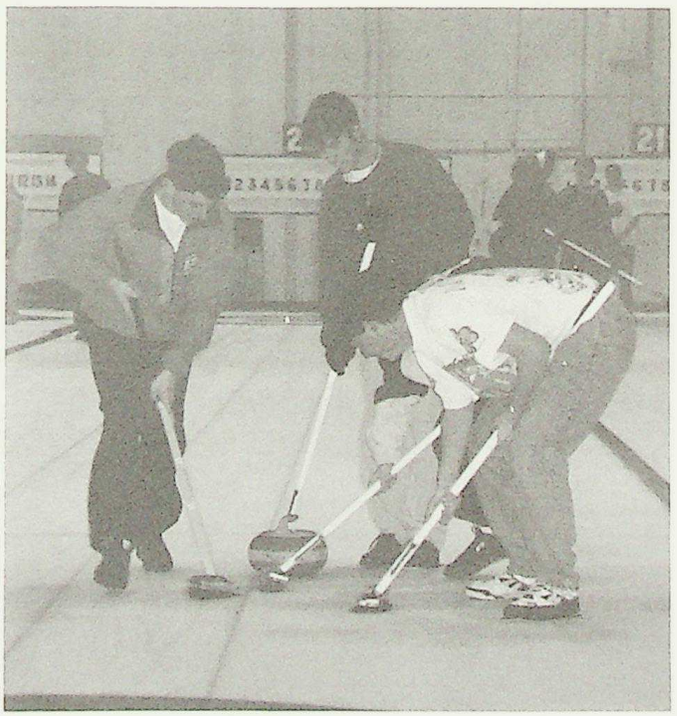
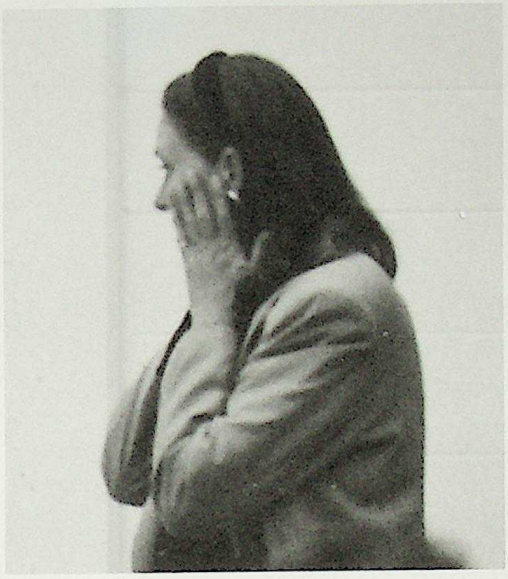
OCEAN'S



ENGLISH DEPARTMENT

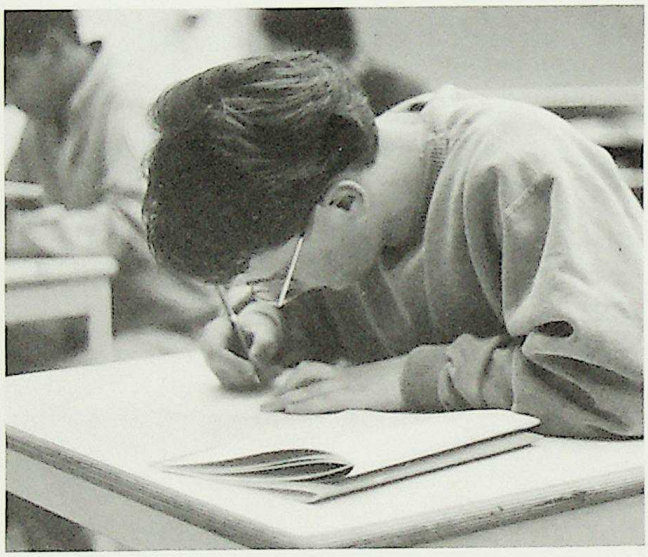


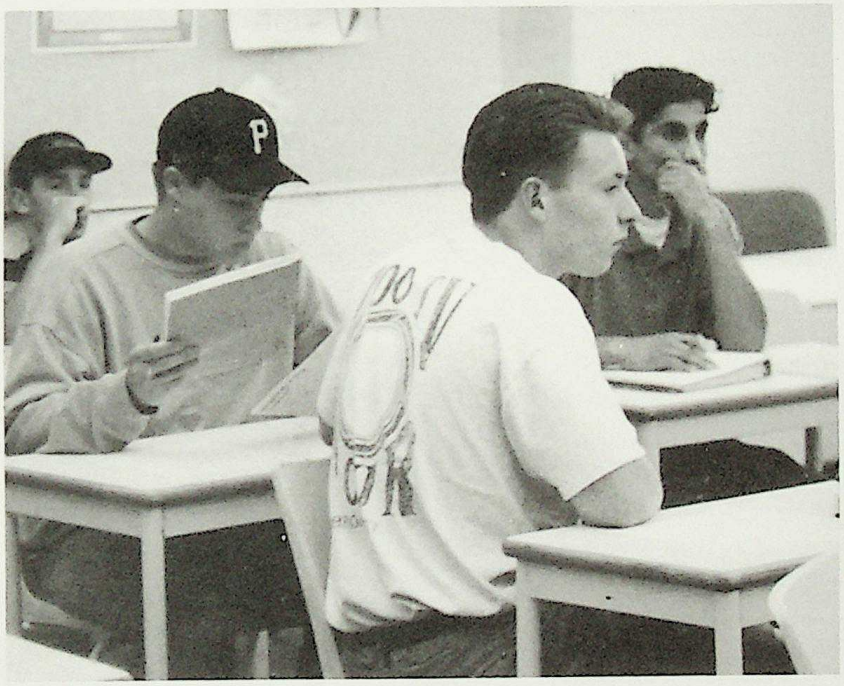
Percy Page. We began the year on a high note encouraged by our very successful results from June of 1992. Planning to build on these successes were a very eager and committed staff:

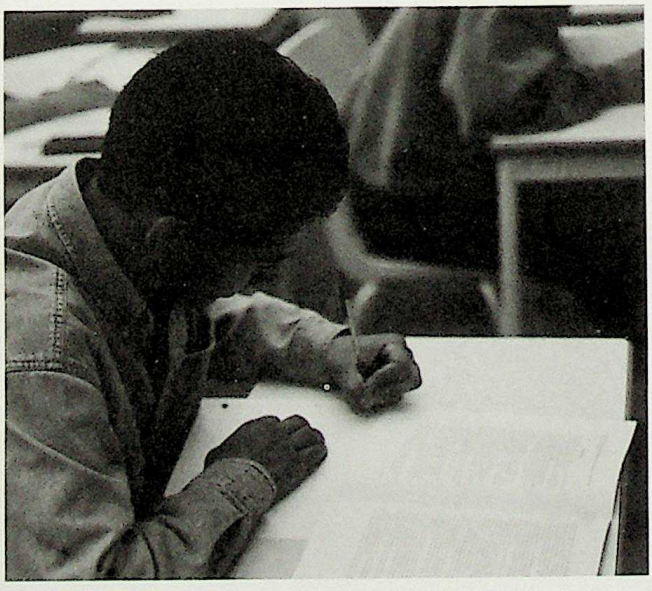
V. Arnold	S. Holder	P. Eiffert	C. Kemp
L. Ewenson	M. Kieran	C. Fahlman	D. Shave
C. French	B. Sparrow	F. Iftody	V. Von Busse

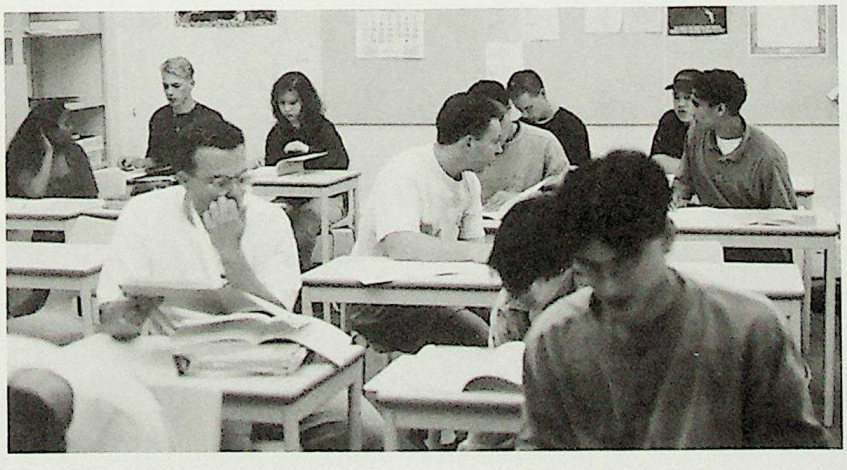
The year saw the development of special programs for our students: our Humanities program began in Grade Ten, and our Academic Challenge program grew to four classes at three grade levels. Our Second group of Academic Challenge 30 students faced the higly regarded Advanced Placement Examination in English Literature and Composition-these students are to be commended for a commitment to an exciting and demanding program of studies.

Throughout the year, the English Department has welcomed input into our various endeavors from the students, parents, and community. The support received from all people concerned with our English programs has been very gratifying and has allowed us to continue to build upon our successes. To our graduating students, thank you for being part of our success!!







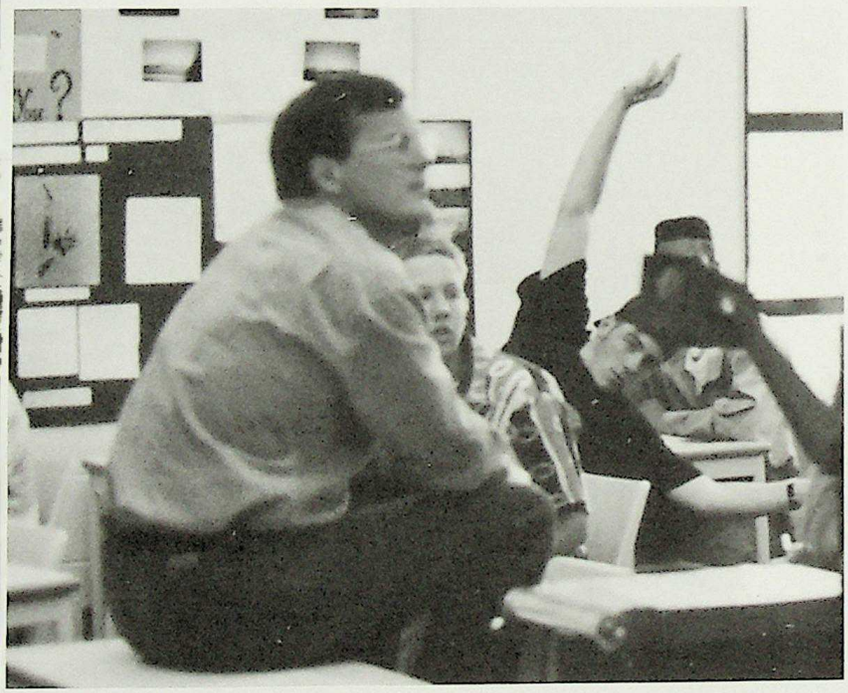


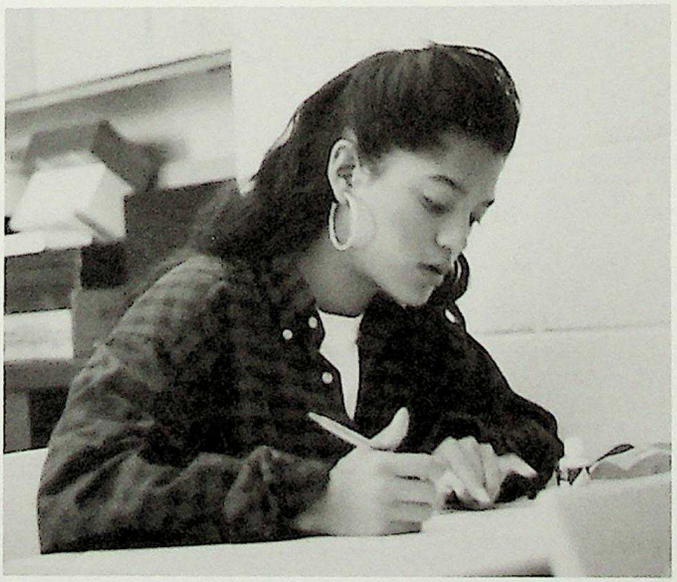
Social Studies

1992/93 was a good year to be in Social Studies at J. Percy Page. Students were offered much in addition to the prescribed curriculum of the courses. Through the year, many speakers were invited to speak to students. A very successful election forum and assignment was held at the school in the fall. As this is written, planning is underway for a provincial election forum at the school. Speakers from the Canadian International Development Agency spoke to students on Canadian foreign aid policy and objectives. A speaker was invited to speak on the Holocaust. Students participated in a trip to downtown charitable organizations to see social policies in action. The grade twelve academic challengeclass attended a forum on economic issues at the West Edmonton Mall. A.C. students also studied law in some detail, visiting the university. Outstanding Social Studies students were selected to attend a number of forums and seminars sponsered by the school and various community organizations including the Alberta Teachers' Association. Budget cuts will probably make this the last year for a while that we will be able to offer so many ''extras''. We hope that you have been challenged and stimulated in your classes. Many of you have certainly callenged and stimulated us.

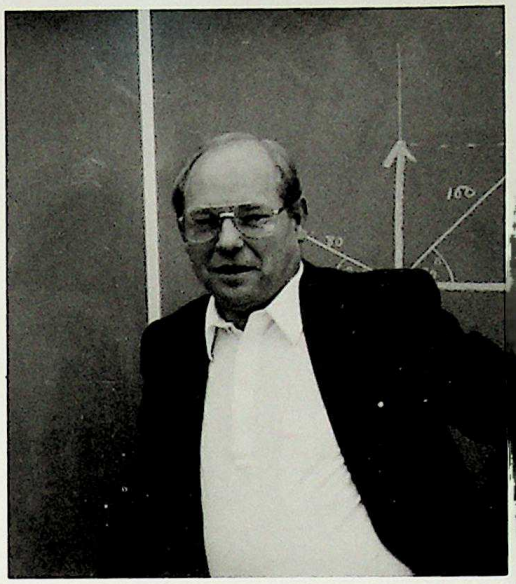
Remember the Page students and staff who did outstanding work in operating the Supporters of Life social action club(SOL). In a twenty-four hour famine, they raised over $3000 for relief of world hunger. Their concer and social action on the environmental issues reflect well on themselves, the school, their teachers, and their parents.

The Social Studies theachers at Page hope you will maintain a life – long interest in politics and political issues. We have watched students grow through the years, both physically and mentally. We wish graduating students the best of luck in your futures. We will remember you with pride and hope you will return to visit and tell us of your successes. We look forward to seeing the returning students in September. Have a good summer!





MATH DEPARTMENT

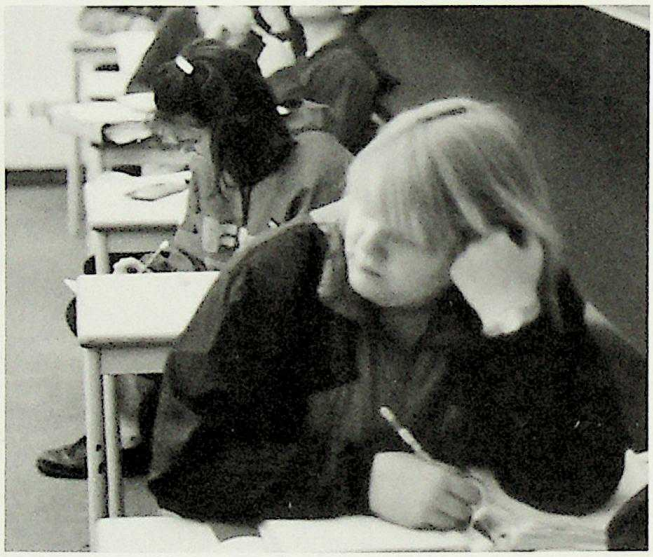


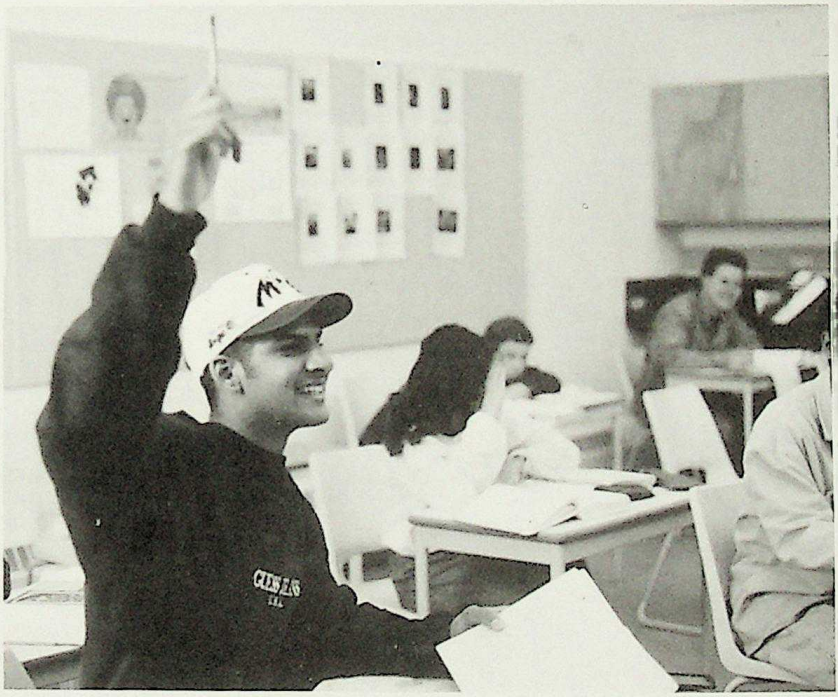
Several new faces were added to the math department at J. Percy Page. Mr. E. Heilman, formerly of McNally CHS became the department head and Mrs. L. Letcher, teaching physics, science and math replaced Mr. D. Maradyn who was on leave for this school year. The rest of themath department included N. Kalmacoff, W. Lepatski, S. McLean, V.Pysyk, R. Shewchuk, R. Skitch, H. Takahashi and E. Wilson.

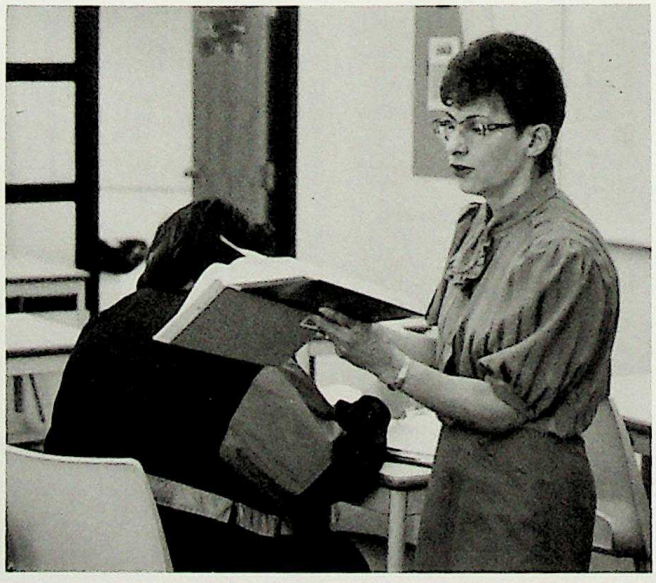
There were no major curriculum changes in math this year but most math classes made more use of the computer facilities available to us.

Math 30 students will probably remember this year because of the Math 30 diploma exams - an overly difficult test in January which resulted in marks being scaled and the three hour test in June.

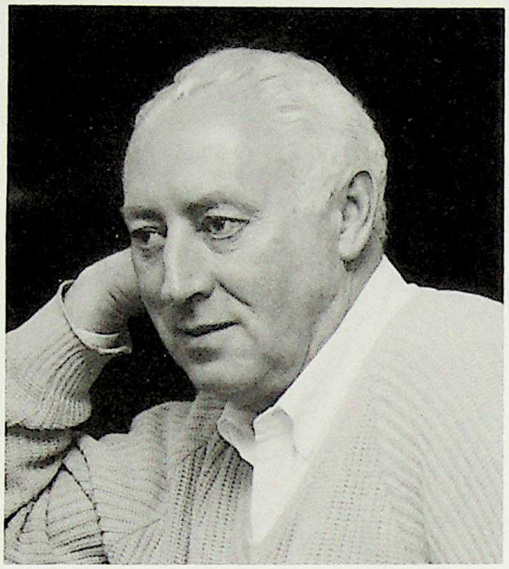
The members of the math department hope that you will have fond memories of the 1992-93 school year and of your experiences at J. Percy Page.







SCIENCE DEPARTMENT



The past year marked the beginning of several major changes in the Science Curriculum in Alberta. At J. Percy Page we found this to be an interesting yet, at times, difficult year. The new courses implemented at this point include Science 14, Science 24, and Science 10. Next year, 1993/94, we will be introducing the the new five credit Biology 20, Chemistry 20, Physics 20 courses. Looks like more fun in the future.

The Science Department at J. Percy Page combined the skills of thirteen charming & talented individuals. The group consists of: L. Barnes, G. Buxton, C. Coultman, D. DeGrande, F. Gainer, L. Harris, L. Letcher, F. Loehde, E. Lotz, L. Panylyk, R. Rosborough, J. Zurawell, K. Stevenson. The Science Staff would like to take this oppurtunity to wish each & every one of you "all the best" in the future.

Sunwapta Board

This year Sunwapta Board has been busy. We started by hosting performer Checo Tomahasa. In October and November we had a crackerwhistle contest and smartie drop. We ended 1992 by having a month long food drive, Cans for Kids. Proceeds went to Ronald McDonald House. We hosted a toy drive, and proceeds went to children's charities. We thank all those who helped. (Clockwise) Harpreet Grewal, Rita Lal, Trevor Howe, Daryl Chattargoon, Gaelene Orser, Sarah Lenz, Shaun Luong.

Cascade Board

This year Cascade Board was formed by five members: (L to R) Shannon Holfield, Jennifer Callum, Amber Zimmer, Neelam Khera, Ray Semeniuk, Mr. Gaumont. We had "Cascade Attendance Lottery," to encourage Cascade students to attend classes; birthday cards, Cascade Silver Cards, and Cascade Fun Fridays. At the end of the year a Cascade Day is being planned. Thank-you to the board members, Mr. Gaumont, and to all the students and staff in Cascade for making 1992/1993 a great year.

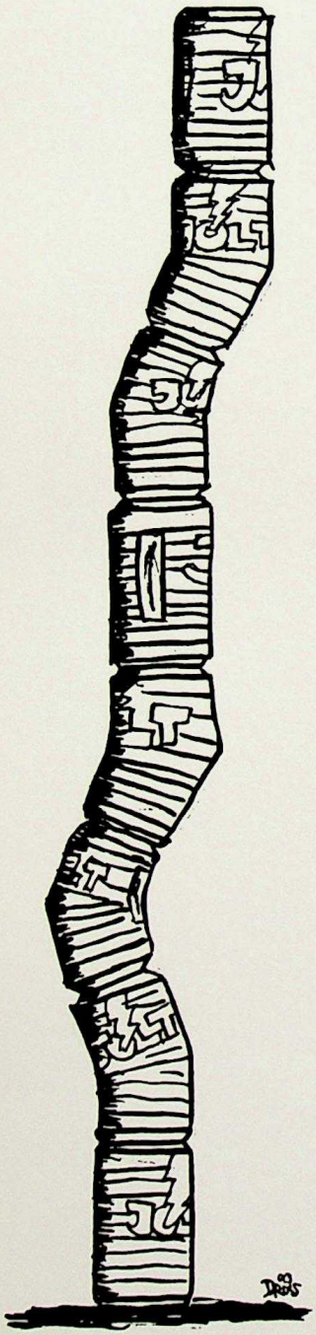
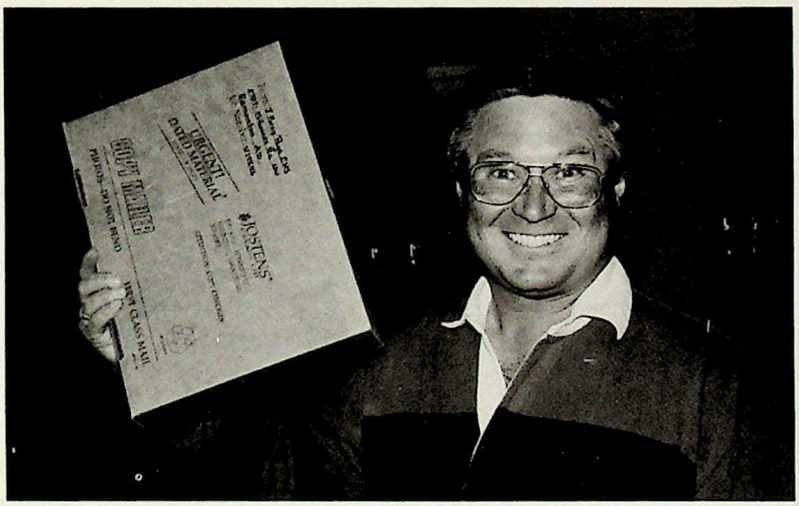
(Below & Right) Mr. Zurawell falls for the old blank pages in the box trick.





The year is finnaly over. No more deadlines, rep. visits, working at lunch and after schools. The staff this year consited mostly of rookies, myself included. Since with all the new comers this year many mistakes were made. If you learn from mistakes then the entire staff becames geniuses.

Thanks to the staff which stayed the entire year. To Dave and Clay the year of tourment is over. To Edgar, you proved me wrong, uncontrolled whining does get you things. To Pam, editor-in-training, good luck with next year's yearbook, you'll need it. To Tracy, never let someone else do a job you can do better (i.e. pictures). To Kerri, always remember, photo stickers are not "toys". To Vicky, please give your binder a monthly shaking beacuase you never know what will fall out. Special thanks to Jennifer Callum and Amy Novak for help with picture captions.

At the beginning of the year the yearbook was 50% organization, 50% procrastination, and 0% perspiration. Near the end of the year it was 50% procrastination, 50% perspiraton and 0% organization. Mr. Zurawell tried to keep us on track with endless flatery, bribery, and when worse came to worse an inspiring (he made me write this) speeches. Only time when the staff became motivated is only when Leah King, our Josten's Rep., came to visit us for our bi-monthly "butt kicking".

1993 was a busy and highly successful year for Page musicians. There were 6 performing groups; Concert Band, Stage (Jazz) Band, Jazz Choir, the Musical Theatre Orchestra and the Dinner Theatre Brass Ensemble. These groups represent the music Department and the Music/Drama department collaborations which included the musical productions "Into The Woods" and the Medieval Dinner Theatre.

Over the past 3 years, music students have became an important facet of the many Page official functions, which include Remembrence Day, Christmas Concert and party with Stuart Olsen, Open House, Special Awards, Commencement and school awards. Added to this is their own set of concerts and performances; Christmas school tours, Feburary area band concert, Spring Concert and the many competitive Festivals we attended throughout the year.

Our major music trip this year was to Banff to compete is Festival Canada '93. Groups must qualify for this competition which features workshops, outstanding concerts and a very high level of student performances. Our instrumental and Choral groups performed at Unifest '92 in Saskatoon, the Northern Alberta Concert Band competition in Edmonton as well as Festival Canada, recieving a silver standing overall.

The most prestigious musical event of the year was our invitation to compete at Musicfest Canada, the only national music competition in Canada, held in a different city each year. 1993 was Edmonton's turn and 5000 students from Halifax to Victoria converged on the Convention Centre for 5 days of intense competition, great concerts and informative workshops. Our Concert Band, Stage Band and Jazz Choir were all invited to compete and all five at national level.

Students have worked many rehearsal hours to achieve this high standing and have presented themselves at workshops, performances and during free time as ambassadors of J. Percy Page High School. As many parents and teachers present at official school functions will attest - Page musicians have made a difference.

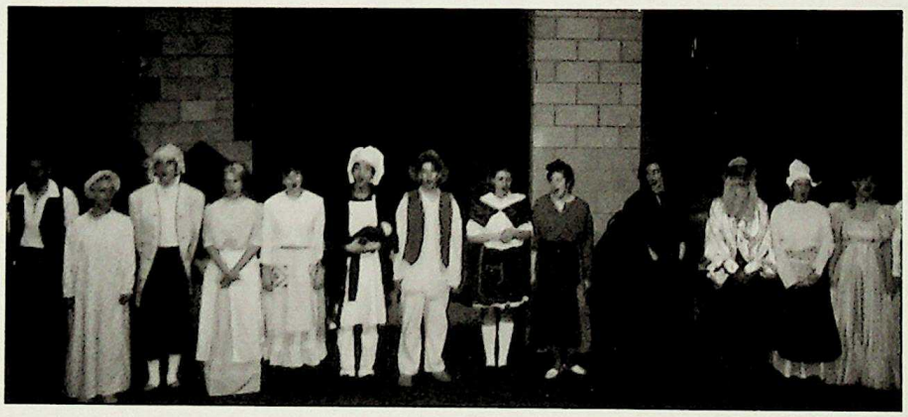
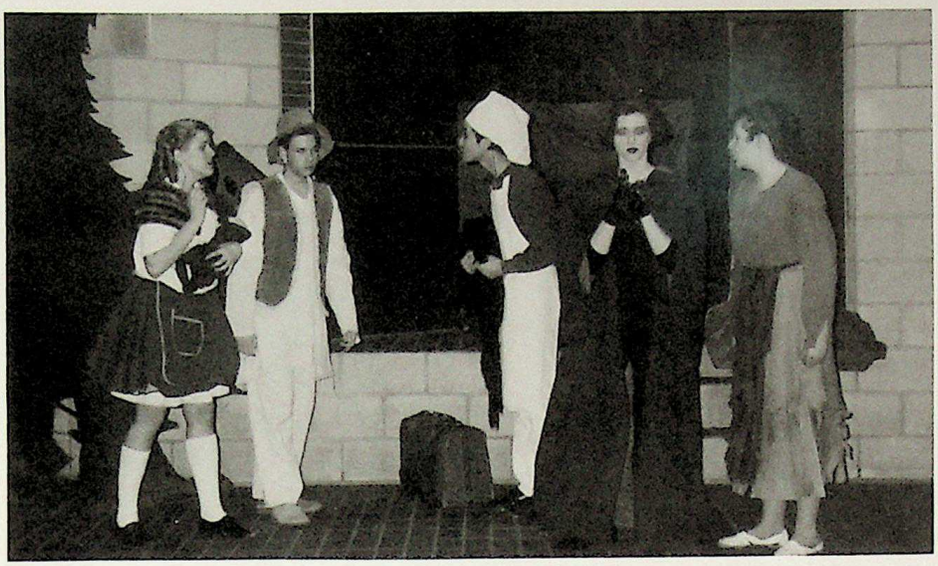
Drama

Mrs. Shewchuk and some of her Drama students

The Drama year was fast and furious! Starting with presentations for Remembrance day by grade 10, 11 & 12 Drama students. This pace continued on into December with shows at Norwood Elementary and the Ched/Power 92 Christmas party by The Page Players. Just prior to the Christmas break two one-act plays were mounted to rave reviews. After the break, all the energy and focus was directed towards the Theatre Arts production of Stephen Sandheim & James Lapine's "Into the Woods". It was a tremendous undertaking, and involved many afterschool hours for not only the Theatre Arts Class, but the Band and Art Students as well. The show had a successful run of 3 days to sold out audiences. This year the Drama deptartment also saw two one-act plays sent to zone 8 Highschool Festival at Grant MacEwan's John L. Hear Theatre: "Dreaming in God" written and directed by Collin Doyle and "Encounter" directed by Carrie McEwen.

92/93 was a tremendous dramatic season, all the hard work was appreciated at the 'Take A Bow' ceremony, (the Drama appreciation night). The Drama department looks toward another successful year in 93/94 with the addition of Theatre Arts 35 class!





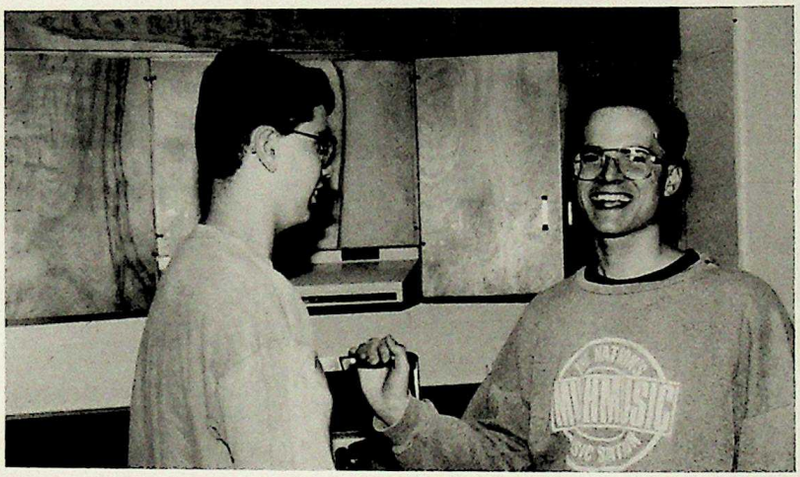
Scenes before, during, and after the Drama presentation of "Into The Woods".

Foods

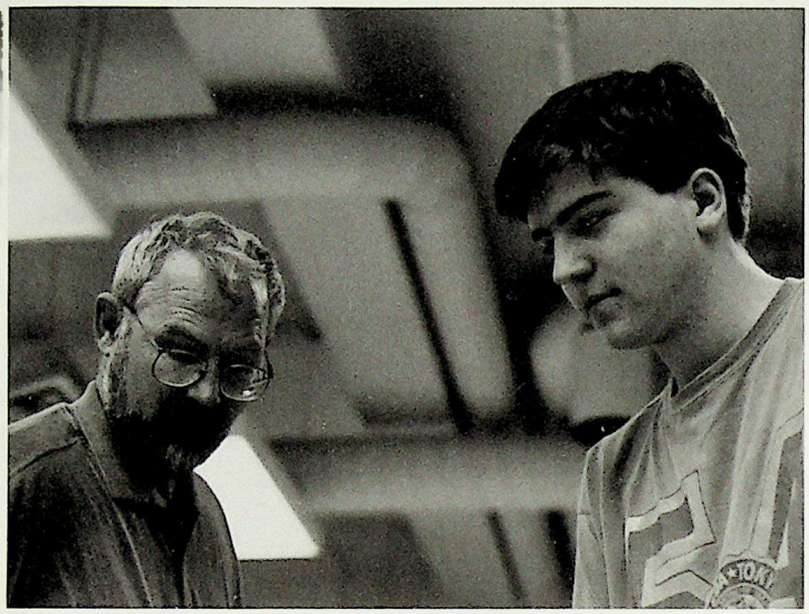
More students registered in Food Studies in the 1992/93 year than in previous years. This created a record five classes in Food Studies 10, Two Classes in Food Studies 20 and one class in Food Studies 30.

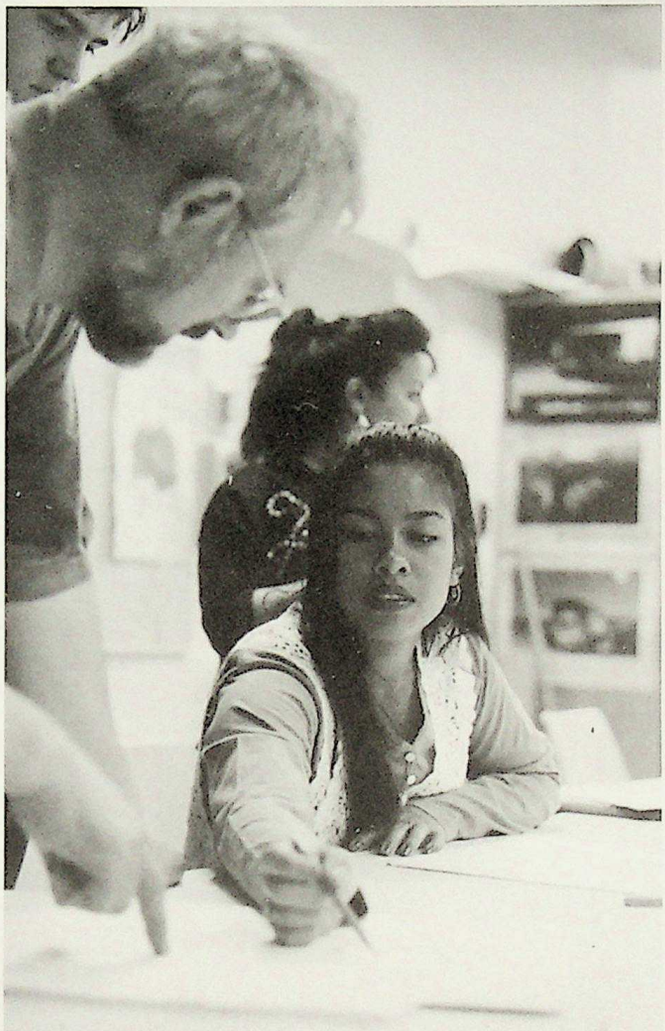
Students became better skilled in the preparation of food as well as the theoretical aspects of food studies.

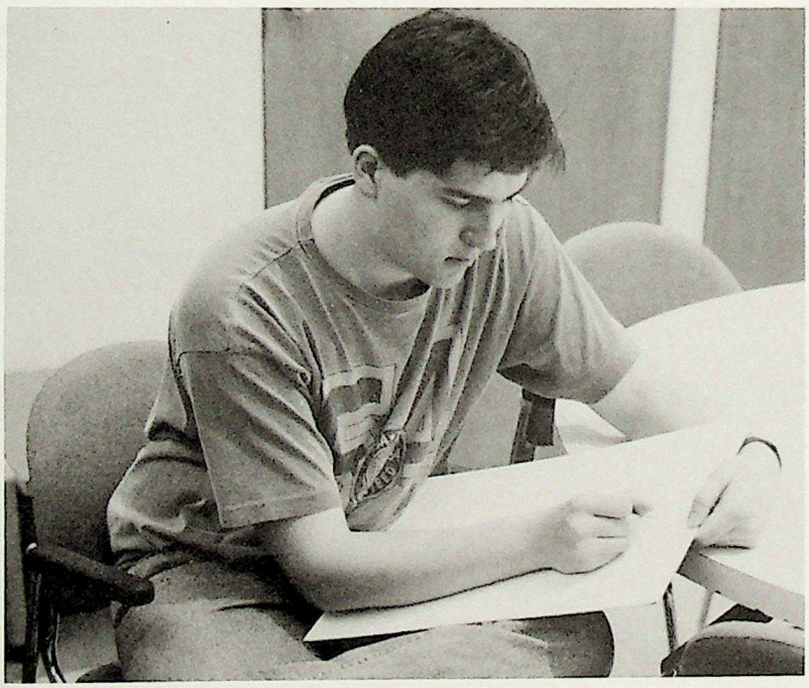
Classes were involved in special events such as the testing and judging of recipes for the Edmonton Journal's cooking contest. This has become a much enjoyed yearly event along with the dinner theatre presentation done in conjunction with the Fine Arts department. This year the Food Studies students researched and prepared Medieval food for a Medieval night of entertainment. We look forward to these events every year and the opportunity to work with other people in the school and in the community.

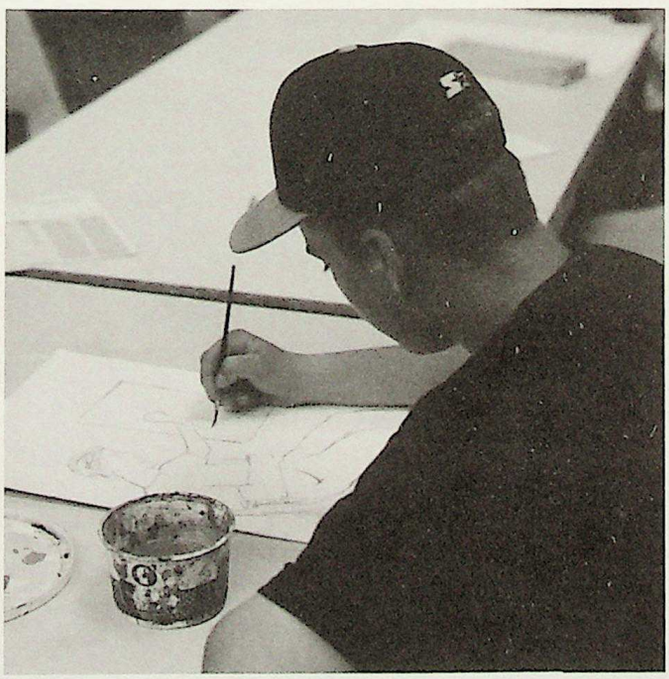


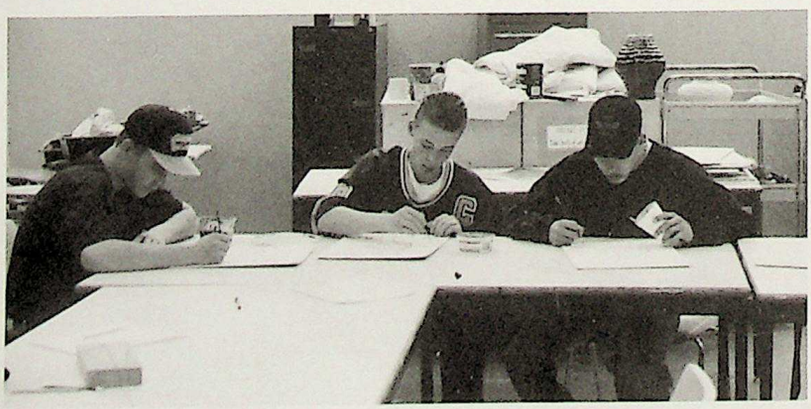
ART











Stuart Olson Construction and J. Percy Page

BUILDING TOGETHER

Once again J. Percy Page students and staff have shared in a number of activities with Stuart Olson employees and families. Our largest project this year was the construction and distribution of gumball machines for donation to Santa's Anonymous. This project involved building construction classes, Peer Support, Student Union members, Page teachers, management, feild and office workers from Stuart Olsen. We held our third annual Children's Christmas party which was bigger than ever. Some students also had an opportunity to visit construction sites such as the new Grant McEwen Campus, while others, through the efforts of our Partners, were able to job shawdow at a law firm. We have had another good year with Stuart Olson and J. Percy Page 'Building Together'.

Usually in the these yearbooks grads thank all the people who have supported them throughout their schooling. Why? The only person I want to thank is me. No one ever took my exams or did my assignments for me, so why should I give other people credit for the work I did.

Thank-you

Brad Mulders

In the words of a great author, "True Friendship Comes When The Silence Between Two People is Comfortable." I havn't got a clue as to how it applies, but it just sounds philosophical. Anyway, thanks to Bobby and Jason who helped me to multiply.See you all next year. NOT!

Bye.
